

Lifetime limited warranty

We offer a lifetime limited warranty on all Apple repairs and select Android repairs. We also offer a 15 day screen crack warranty on Apple and low-end Android devices only.

What is covered:

- All Apple repairs will be warranted for defects in workmanship for life.
- Low-end Android devices will have lifetime warranty as well. "Low-end" would be described as having a repair value comparable to an Apple.
- High-end Androids will have lifetime warranties on smaller parts only, such as power buttons etc.

What is not covered:

- Physical damage except when covered under 15 day warranty.
- Water damage.
- Attempting repairs yourself.
- Having someone else attempt repairs.
- Signs of abuse.
- On high-end Androids the screen is NOT covered.

Other details:

- Warranty can not be transferred to other people or devices.
- Warranty is only good for parts replaced by us and service directly related to that part.
- Serial number must be recorded with name and address must be on file.
- Warranty does not cover loss of information, it is the owners responsibility to keep important data backed up.
- Warranty work is not a top priority but will be performed as soon as possible.
- Warranty does not apply to commercial accounts.
- If frame of device is bent or damaged the warranty will NOT apply.
- Warranty has \$120 value limit per incident.

Crack Warranty:

- Covers any crack in the screen for 15 days from date of purchase.
- Applies only to Apple and low-end androids.
- Can only be used one(1) time.
- Does not cover intentional damage.

Ask if this warranty covers your android if you are not sure.

This warranty and the terms in it are subject to change without notice.

Nothing is implied for expressed except what is written in the text of this warranty
